

Lingua Yue

Lingua Yue (Sinica simplicata 粤语；Sinica traditionalis 粵語；pinyin *yuè yǔ*；IPA [ˈjuːeɪ] vel [juːˈeɪ]) est unus ex primariis linguae Sinicae ramis in usu in Serica meridiana, praecipue in provinciis Quantunia et Guangxi.

Nomen "Cantonensis" saepe ad omnem ramum adhibetur, sed linguistae illum nomen varietati Quantunianae et Hongcongo, dialectis auctoritatis, reservare malunt. Dialecti Quantunicae et Taishanesica in usu sunt inter permultos homines transmarinos in Asia Meridiorientali, Canada, Australia, et Civitatibus Foederatis, praecipue propter undas migrationum massivarum ex Hong Kong.

Incolae Hongcongi et Macai, atque migrantes Quantunienses in aliis civitatibus degentes, eorum linguam plerumque *Gwóngdòng wá* [kʷɔ̌ːŋ tɔ̌ŋ wǎː] (廣東話) 'sermo Quantunianus' appellant.^[1] Incolae autem Quantunienses et Guangxienses illo vocabulo non utuntur, sed malunt *Yuht Yúh* [jýt jyː] (粵語) 'lingua Yue') vel *baahk wá* [pàːk wǎː] (白話) ad dialectum Quantuniae nominandam. Quod etiam Guangxi dialectos Yue attingit, ut in locutione "南宁白话", quae significat "*baak waa* Nanning."^[2]
